

ABMSAC HOTEL MEET 2018 - MAYRHOFEN, ZILLERTAL

Friday 29th June to Friday 6th July

Next summer's hotel meet will be based at Mayrhofen in the Austrian Tyrol, last visited on the 2003 meet. Mayrhofen is an attractive alpine resort and an excellent centre for walking, climbing and mountain biking. It has two cable cars going up to 2000m, and higher villages and other lifts can be accessed in the side valleys by a good bus service.

Accommodation has been reserved in the 4* Hotel Kramerwirt, in a central yet quiet location. The hotel has a large and comfortable lounge area, a lively outside terrace-bar, a health centre and free parking. All rooms are en-suite, with free wi-fi, most with a balcony. There will be a hot and cold breakfast buffet and a 4-course dinner, with vegetarian options.

The cost per person for dinner, bed and breakfast in a double/twin room is 525 euros, with a few single rooms available at 630 euros.

The hotel reservation includes free entrance to the swimming pools in Mayrhofen and Hippach, and free entrance to the Nature Park Centre at Ginzling, with participation in the walks of the Nature Park programme.

A 6-day Zillertal Activcard is available for 63.50 euros, giving free use of cable cars, buses and trains in the valley.

Mayrhofen is easily accessible from Innsbruck, Salzburg and Munich airports, changing trains at Jenbach in the Inn Valley.
