ASSOCIATION OF BRITISH MEMBERS
OF THE
SWISS ALPINE CLUB

*The Annual Report, Accounts and Balance Sheet
for 1932.*

THE OBJECTS OF THE ASSOCIATION, &c.

The Association of British Members of the Swiss Alpine Club was founded in 1909, with the main object of encouraging climbers and walkers in this country to join that Club. The S.A.C. (to give it its usual abbreviation) is nearly as old as the Alpine Club itself, and for over half a century has gone on steadily with its work of making the Alps accessible to climbers and others, in particular by building the 90 or more Club Huts which now exist. Before this Association came into being there had been many British members of the Club. But these were the exceptions rather than the rule, partly because the average British climber had no idea how to join, and partly because it did not occur to him that there was any point in doing so. But among those who were members, there were some who felt that such a state of affairs ought not to continue; that if our climbers used the huts, they should do something to help to maintain them, and that by some means it should be made easy to join the S.A.C. The energy of the late Mr. J. A. B. Bruce created a strong Committee, which undertook this matter and brought this Association into being under the late Mr. T. Clinton Dent as President. Within two years of the start there were 300 members and their number has continued to grow. The result of our activities is that the proportion of our countrymen who climb in the Alps and are now members of the S.A.C. is very large, and most of them are also members of this Association.

At the same time it was felt that there was need for a rallying point over here for these "clubbists," and as it is not possible, by the rules of the S.A.C., for a section to be

formed outside Switzerland, as was the case with the D.Oe.A.V. (which had a section at Manchester at one time), the Association acquired a room in which its members could meet together, and took upon itself something of the functions of a Club. All these arrangements were only undertaken after consultation with the Central Committee of the S.A.C., and the latter cordially welcomed the enterprise. In addition, as it was felt that we British climbers owed Switzerland something for past remissness, the fund to build the Britannia Hut was started and the building successfully carried through by 1912.

The Association has been able, in many ways, to co-operate with our Swiss colleagues, and at times to represent to them our views on mountaineering matters. On the other hand, the Central Committee has always looked on us with the greatest favour and has dealt very cordially with anything we have put before it.

The number of members is now 561, and in size is, with the exception of the Alpine Club, probably the largest club interested mainly in mountaineering in these islands.

An analysis of the list of members shows their distribution among the various sections to be as follows:—

Atels	8	Grindelwald ...	21
Berne	9	Interlaken ...	11
Diablerets ...	102	Monte Rosa ...	37
Geneva	265	Oberhasli ...	23

Other Sections 34

The membership of the Swiss Alpine Club itself is now approaching 25,000 in about 80 sections.

NEW MEMBERS.

22 new members have joined during the past year, but 60 have resigned or died. It is hoped that members will make every effort to secure *new candidates* for the S.A.C. and the Association.

The numbers are now :—

December 31st, 1932	621
Less Resignations, Deaths, etc., during 1932	60
	<hr/>
Total, January 1st, 1933	561

Of these, 162 are Life Members, 13 Honorary Members, 348 Ordinary Members, and 38 on the Retired List.

THE ADVANTAGES OF BELONGING TO THE SWISS ALPINE CLUB.

Quite apart from the sentimental feeling that a member of the S.A.C. is helping mountaineers in the country in which he is a guest to add to the amenities of the sport, the definite material advantages are set out below.

RIGHTS IN THE S.A.C. HUTS.

Members of the Club, together with their wives, have priority of right to the sleeping places and in many huts there is a room for members only; next after members comes the ladies' Swiss Club, and then the kindred clubs, such as the French A.C. Anyone else is really in a club hut on sufferance. In addition a member pays, in most huts, only 1 franc per night, and a non-member 3 francs. Those who intend to climb have priority over others in the same category. A member may introduce his wife and children (under 20 years of age) on the same terms as himself.

It is worth remembering, in connection with projected visits to huts that while a Section may reserve a hut for its members to the extent of three-quarters of its capacity only, one-quarter is always available for others of the S.A.C. It is generally worth the trouble before going to a hut to ascertain from a local hotel-keeper whether a hut is so reserved, and if it is, to go up there early in the day. As a rule these reservations may not be made on Saturdays and Sundays. It is when one comes down to a hut on a day when it has been reserved, that the advantages of membership are most precious.

A few of the huts in Switzerland do not belong to the S.A.C., but as a rule these are run in close alliance with that Club and the special regulations make little difference to members of the S.A.C.

REDUCTIONS ON RAILWAYS.

But the matter which, perhaps, makes the greatest appeal to many people is the advantages due to the large reductions made to members on the mountain railways

(except in the Engadine). In taking a holiday in some districts a member saves, in these reductions, considerably more than his subscription to the Club.

For convenience we publish the official list of the reductions, somewhat abbreviated, from "Die Alpen," February, 1932.

These reductions, as a rule, apply only to a member, and *do not* include his wife and children.

- 50% Aigle-Leysin; Arth-Rigi (includes wife and children); Brunnen-Morschach-Axenstein; Chantarella-Corviglia; Furka-Oberalp; Gerschni-alp; Gornergrat; Interlaken-Heimwehfluh; Montreux-Glion, Territet-Glion, and Glion-Rochers de Naye; Oberalp (see Furka); Ritom; Stanserhorn; Visp-Zermatt.
- 40% Bex-Gryon-Villars and Villars Chésières-Bretaye (Chamossaire); Sierre-Montana-Vermala; Aigle-Sépey-Diablerets.
- 33% Schöllenen.
- 31% Nyon-St. Cergue-Morez.
- 30% Jungfrau; Leukerbad; Martigny-Châtelard; Monthey-Champéry-Morgins.
- 25% Berner Oberland; Chamonix-Montanvers; Lauterbrunnen-Mürren; Mürren-Allmendhubel (Seilbahn); Muottas-Muraigl; Rechtsufrige Lake of Thun Railway (for the complete circuit Thun-Interlaken); Schynige Platte; Solothurn-Zollikofen-Bern (for groups of three); Wengernalp.
- 20% Braunwald; Martigny-Orsières; Stansstad-Engelberg (10% only on return tickets); Lake of Thun to Beatenberg; Mont Blanc (St. Gervais to Glacier de Bionnassay).
- 15% Niesen.

There are also minor reductions in connection with motor-cars in one or two places.

To obtain these reductions it is absolutely necessary to present the card of membership when booking.

It is worth noting that the reductions are mostly available to members of the corresponding Ladies' Swiss

Alpine Club, so that the old feminine grievance that only the men got any reductions is now a thing of the past, if ladies will join their Swiss Club. In this connection, the Hon. Secretaries may be able to advise members how their friends of the other sex may join the ladies' club, which does not seem to be so well known as it might be. We may add that the badge of the ladies' club is a particularly attractive one.

HOW TO JOIN THE SWISS ALPINE CLUB.

It is often thought by non-members that some qualification is necessary to join the S.A.C. This is not the case. Anyone can join who can find a proposer and a seconder. The following is the procedure for anyone who wishes to join:—

Write to the Hon. Treasurer, Mr. C. T. Lehmann, 28, Monument Street, E.C.3, or to one of the Hon. Secretaries (letters should be marked S.A.C. on the envelope); in this letter the writer should state whether he wishes to join a French, German, or Italian-speaking section.

Arrangements will then be made for the joining of a particular section, and an entrance form will be sent. If the aspirant has no one to propose or second him, suitable arrangements will be made to obviate this difficulty. The entrance form, when filled in, must be returned in all cases to Mr. Lehmann, together with a small photograph, passport size, and the necessary subscription and entrance fee.

For the benefit of those who leave things until the last moment, we would point out that arrangements have been made whereby members of the Geneva and the Diablerets Sections (both of which are French-speaking Sections) can be enrolled at *this* end. This takes a week or ten days. Normally it takes about two months, as in the case of all other sections it is necessary to communicate with the local Committees.

A list of the principal sections, together with their subscriptions, will be found at the end of this report.

In addition, the subscription to the Association is £1 for Town members and 10s. for Country members. A Country member is defined under the Rules as being a member who resides outside a radius of 50 miles of Charing Cross. There is no entrance fee. Anyone who joins the Association may pay through Mr. Lehmann by sending him a Banker's Order, which is the most convenient way, or by remitting him each January the necessary subscription. The Association is willing to arrange for anyone to join the S.A.C., but only continues the remittances to Switzerland for those who join the Association as well. Life membership of the Association costs £8 8s. for Town members and £4 4s. for Country members.

CARDS OF MEMBERSHIP OF THE S.A.C.

The Swiss Alpine Club Membership Card (the buff card with the member's photograph inside) is usually issued every three years, but the new Central Committee has decided that the old cards shall continue to be available until further notice, *provided the gummed slip* with the signature of the President of the Central Committee, which has just been issued, *is affixed to the lower half of the inside cover*. It is very necessary for all members to be careful about this.

The membership card is evidence of the bearer having joined the S.A.C., but the *benefits* of membership are only available to those who have paid the current year's subscription, and this is proved by the annual *receipt* which must be shown *with* the membership card. For 1933 the membership card itself is sufficient evidence of payment of subscription, *except* in the case of members of the Grindelwald and Interlaken Sections who will have to produce respectively a green or brown card as well.

Loss of Membership Card or Badge.—It is inevitable that someone or other should lose his card or badge, and this is most likely to be discovered at holiday times. If such a loss occurs, it is best for the member concerned to write

direct to his Section Treasurer, as our own officials are quite likely to be away at such a time, and in any case can only refer the matter to Switzerland. To avoid delay a photograph should be sent at the same time if it is the membership card that has been lost. Members of the Geneva and Diablerets Sections, however, can obtain new membership cards and badges straight away from the Hon. Treasurer's office. The price of a new badge is 2s.

OFFICERS AND COMMITTEE.

Mr. George Anderson has succeeded Mr. A. N. Andrews as Hon. Librarian, and Mr. Andrews has been elected a Vice-President. All the other officers were re-elected. The following members of the Committee retired, having completed their term of office: Messrs. A. G. N. Green; E. C. Mengel, F. H. Slingsby and C. J. Tipping. The resulting vacancies were filled by the election of Messrs. C. E. O. Bax, C. J. Highton, S. L. Pearce and H. B. Thompson—all members of the Diablerets Section.

A casual vacancy having been caused by the appointment of Mr. George Anderson to the post of Hon. Librarian, the Committee have elected Mr. R. H. Sennett to fill his place in accordance with Rule 9.

FINANCE.

The financial results for the year 1932 are considerably better than anticipated at the beginning of the year.

The difference between income and expenses amounts to £112 2s. 7d., which added to the accumulated revenue of previous years—viz., £476 9s. 4d.—brings this item up to £588 11s. 11d.

The Life-Membership account stands at £730 4s. Our investments are the same as at the end of 1931; they cost us £981 os. 2d., the value on January 25th was £1,195 10s., an increase of £210 on what they were at the end of last year.

We are notified that Geneva is reducing its contribution to our Association, in consequence of their depleted budget and large number of resignations.

The Hon. Treasurer would remind Members that payment by January 31st considerably facilitates the work, and ensures Members getting copies of *Les Alpes* regularly.

ANNUAL DONATION FROM GENEVA SECTION

The Geneva Section has contributed 500 francs towards the expenses of the Association so that members of the S.A.C. resident in this country may obtain, out of the subscriptions paid by them, some of the advantages which their Swiss colleagues enjoy, but from which we are debarred by living in this country.

THE HONORARY SECRETARIES.

The addresses of the Hon. Secretaries will be found inside the cover.

All communications concerning the Association Meetings should be sent to Mr. M. N. Clarke ; other communications may be made to either Secretary.

THE HONORARY TREASURER.

All communications concerning subscriptions should be sent to the Hon. Treasurer, Mr. C. T. Lehmann, 28, Monument Street, E.C.3. Telephone : Royal 2100.

THE WORK OF THE ASSOCIATION.

The necessary qualification for membership of the Association is membership of the Swiss Alpine Club but life members of the Association who have retired from the S.A.C. may remain as members of the Association, but they may not hold office or vote at meetings.

SUBSCRIPTIONS.

The Association undertakes to collect and forward members' subscriptions to Switzerland, but it is a very great convenience and saving of trouble to the Honorary

Treasurer if members give him a Banker's Order for whatever is due to their section. Those who do not do so should take care to send their subscriptions in *promptly on January 1st*, as the sections expect early payment and are apt to strike late payers out of their lists early in the year.

THE CLUB ROOM AND LIBRARY.

The Library and Club Room are now at Room 121 at the Hotel Great Central. This room, which is available at all times, is on the first floor, and is best reached by the entrance from Marylebone Station. The key may be obtained on application to the Reception Office.

Members are particularly requested not to forget to return the key to the Reception Office before they leave the Hotel.

A list of books in the Library is printed elsewhere in this Report, and the Hon. Librarian will be glad of suggestions as to additions. Books may be borrowed and any borrower should enter his name in the book provided for the purpose. **Guide books and Maps, however, are not to be taken away.**

LIST OF MEETINGS DURING 1933.

Informal Dinners will be held on the undermentioned dates, being the *fourth* Wednesday in each month, at the Hotel Great Central at 7.30 p.m. Morning Dress. Price 5s. 6d., collected at table. The subjects for these Discussions will be announced from time to time. Suggestions will be always welcomed by the Committee.

It is proposed to hold a "Meet" in either Scotland or North Wales at Easter. It is also proposed to try and arrange a joint meeting with the Ski Club of Great Britain in May. Further details of these two fixtures will be announced later.

OBITUARY.

E. R. TAYLOR.

By the death, in May, 1932, of Edward Reginald Taylor, the Association lost one of its original Members and one who had for many years taken an active part in the administration of its affairs.

He was born at Birstall, Yorks., and read for the law and passed the final examination of the Law Society with Second Class Honours in 1900; he then commenced to practise as a solicitor.

His interests were many-sided; he was a Fellow of the Society of Antiquaries of London; Honorary Secretary of the British Archæological Association and a Fellow of the Royal Historical Society, but it will be chiefly with regard to his mountaineering and travel interests that he will be best known to our Members.

Prior to becoming a Member of this Association, he was elected a Member of the Alpine Club in 1908—his qualifications for membership showing that he had climbed extensively at Zermatt, in the Engadine, the Dolomites, Tyrol, Chamonix and Arolla. He was practically always accompanied by his sister on his various climbs. He joined this Association at the outset and took a very active part in helping to build up its membership and was holding the post of Honorary Solicitor at the time of his death.

He visited Switzerland over 30 times since his first visit in 1897 and was always looked upon as a safe mountaineer and a true lover of the mountains. After the war he practically ceased making any high ascents and confined his activities to long walks and passes. In latter years he visited a great number of the lesser known European countries in the Near East and was especially interested in the social and political conditions of the new nations which had been created in post-war Europe. He on many occasions showed a most interesting series of slides at the Ladies' Night Dinners with descriptions of the various tours he had made. He also on various occasions presented books and maps to

the library of the Club, and in addition, when the Association moved into its new quarters at the Great Central Hotel, presented the large bookcase which now stands in the club room.

He was a regular attendant at the various dinners of the Association, and his death, after a short illness, came as a great shock to his many friends.

The Association was represented at his funeral by Mr. W. M. Roberts, the President.

JEAN BAER.

Through the death of Jean Baer, at Geneva, in the last days of the year, the Club loses one of its oldest members.

He joined the Geneva section of the S.A.C. about 1889 and belonged to that group of Swiss climbers, who though doing none of the first-class peaks, have a great love for their own mountains, spending a long time in exploring valleys, passes, and some of the lower peaks.

He was one of the original members of our Association, and together with his lifelong friend Mr. Dimier, acted as connecting link with the Swiss Colony in London, of which he was one of the most prominent members. He had been for 27 years President of the Swiss Church; he was also President of the Nouvelle Société Helvétique (London branch) and an erstwhile President of the Swiss City Club.

As he retired to Switzerland some four to five years ago we have not seen him lately; but those who knew him retain a memory of one of the kindest-hearted men endowed with genial personality, and regret the loss which his many friends have sustained.

CLUB NOTES.

Despite the devastation of all our plans both winter and summer caused by the financial crisis of last year, the Association has continued to flourish, and it is particularly encouraging to find that a certain number of new members have joined during the year.

Practically no-one was able to get to the Alps last winter, but a fair number went in the summer, and the Swiss dinner, this time held at Grindelwald, was surprisingly well attended.

Our own meetings have continued regularly twice a month, and the papers on the second Wednesday in each month have reached and kept a high standard. We should like to see more members attending on these occasions.

For the benefit of those who have not been to one of these meetings, we should like to make it clear that the general idea is that they should be of an informative nature and particularly useful to inexperienced climbers and walkers who are seeking information. At each meeting slides are shown, and the meetings are *quite* informal with ample opportunity of asking questions both during and after the lecturer's remarks. As a rule they are talks rather than lectures, with the object of telling people things about the Alps and climbing. It is hoped in due course to deal with most of the centres which are less well known. We have not confined ourselves to the Swiss Alps, as in the last twelve months there have been talks on Sulden in Austria, the Pyrenees and also English rock climbing. We shall attempt to include general topics as well, and in the past year there were lectures on the formation of cornices and mountain photography, and a most animated discussion on nails and crampons.

It would be a help to the secretaries if members, especially the younger ones, would ask for information as to particular centres, as there must be few places in the whole of the Alps about which some member or other does not possess pretty complete information. The Committee is very anxious to develop this side of the activities of the Association.

It is satisfactory to find that the attendance at the annual dinner and the three ladies' dinners keeps up to the average.

The monthly discussions, which were started in October, 1930, were continued throughout the past year, and have now become not merely one of the regular but one of the most popular features in the life of the Association. All except two were illustrated by lantern slides. A detailed list is set out below:—

- January 13th—"Activities of the Association" (General).
 February 10th—"The Ortler District" (J. E. Montgomery).
 March 9th—"Nails & Crampons" (Dr. N. S. Finzi and E. S. Herbert).
 April 13th—"The Lötschental" (J. J. Hoddinott).
 June 8th—"The Dauphiné" (General).
 October 12th—"Mountain Photography" (Olaf Bloch).
 November 9th—"The Formation of Cornices" (G. Seligman).
 December 7th—"The Pyrenees" (W. Bellows).

Once again we would like to remind members that suggestions for future discussions will be always welcome by the Committee.

The attention of members is drawn to the List of Meetings for 1933, which was issued at the end of November and is reprinted elsewhere in this report.

The Association held its second Easter Meet at Beddgelert from March 24th to March 29th. Nearly 20 members and their friends foregathered at the Saracen's Head Hotel. Unfortunately, however, the weather was extremely bad with the result that it was not possible to do much climbing, but, in spite of this, everyone had a most enjoyable time. The Easter Meet has proved so popular that it is proposed to make it an annual event in future.

A Joint Meeting was held with the Ski Club of Great Britain on May 4th. Once again, through the kindness of the Committee of the Alpine Club, we were able to hold it in the Alpine Gallery, and 200 people turned up.

The subject was "Winter Mountaineering," and this was illustrated by lantern slides. Mr. Arnold Lunn presided, and the principal speaker was Mr. R. L. Holdsworth. After Mr. Holdsworth's address the subject was thrown open for debate and a very interesting discussion followed.

Another Joint Meeting with the Ski Club will be held this year on Wednesday, May 3rd, and the subject—"Avalanches"—is one which should be of great interest to members of the Association. On this occasion the meeting will take the form of a debate, and it is to be hoped that the Association will be more strongly represented than it has been in the past.

A most successful Association Dinner was held at Grindelwald on August 11th, at the Hotel Schweizerhof. Sir William Ellis was in the Chair, and 35 members and guests were present.

The guests of the Association were Herr Gustav Borter, the President of the Grindelwald Section; Herr Pfarrer Martin Nil, the local Clergyman; and Dr. Med. P. Fräfel, who was formerly the local doctor, but is now practising in Thun.

A truly magnificent banquet was served, such as one usually associates with the first of August, and the waitresses were attired in national costume. At the close of the dinner everyone was presented with a buttonhole of edelweiss—a gift from the Grindelwald Section.

The best thanks of the Association are due to Herr Anneler the proprietor of the Hotel Schweizerhof, for a most delightful evening.

The President attended the annual dinner of our friends, the City Swiss Club, in November, and was given a very warm welcome. It is very gratifying that the City Swiss Club should choose our Association, as it has done for a good many years now, to supply a member as their chief English guest.

We are glad to have Dr. O. K. Williamson back amongst us once more after an absence of several years in South Africa. He was for some years a Vice-President of the

Association and one of our most energetic supporters in the early days. We are glad to hear that Mrs. Williamson's health, which was the chief cause of their leaving England, has benefited by the change, and we wish them the best of fortune now they are back in this country.

We should like to congratulate the President on having recently acquired his Veteran's Badge. This, as members are probably aware, denotes 25 years continuous membership of the S.A.C.

The Committee desire to tender to General Bruce their deepest sympathy on the sudden death of his wife last June. Mrs. Bruce was always a very popular figure on our Ladies Nights and she will be greatly missed by everyone in the Association.

Members are invited to avail themselves of the "Hotel Book" (which will be found in the bureau in the Club Room) for recording their comments on the various hotels which they may have come across in the course of their travels. This book is intended to be used both for commendation and for commination.

We feel that a word of sympathy should be extended to our many friends among the hotel keepers and guides in Switzerland who are so badly affected by the recent crisis, and who have suffered so badly by the slump in the tourist traffic. Many of the hotels are doing their best to make it possible for us to go to the Alps by substantial reductions in their tariffs. The hotels of Wengen, for example, always a favourite place for English winter visitors, have this season arranged a series of free lessons in ski-ing—a most attractive piece of propoganda, as the lessons, given by some of the best local guides, are extremely good. By careful selection and enquiry it is still possible to have a holiday in Switzerland at a price not greatly in excess of what was possible before the trouble with the pound.

We should like to take this opportunity of expressing our great appreciation of the lavish hospitality which has been extended to us by our friends of the Ladies Alpine Club since we took up our abode at the Hotel Great Central. Again during the past year they sent us tickets for most of their lectures, and these were greatly appreciated by those of our members who went; they also sent us tickets for their excellent exhibition of Alpine paintings. This year again they invited several of our officers to their annual dinner, and on this occasion our President was honoured by being asked to reply on behalf of the Guests.

We were very pleased to be able to welcome the officers of the Ladies Alpine Club to our Ladies Night Dinner last February, and we are again very much looking forward to having the pleasure of their company on March 22nd.

SUMMER HOLIDAYS 1933.

The Hon. Secretaries will be glad to hear from any members who wish for help in making up parties for the Alps or elsewhere. It is not possible for the Association officials to organise parties, but they are quite prepared to put members in touch with one another when they can, and this has often been done in the past. The monthly dinners for those who can attend them are, of course, an admirable opportunity for making summer arrangements, and if members who are short of climbing companions will acquaint the Secretaries beforehand, something can often be done in the way of introductions at one of the dinners.

It is desirable that communications on this subject should be sent early, not later than the first half of July, as the Secretaries may themselves be away. It is hoped that beginners in particular will avail themselves of the help of the officials of the Association in any matters connected with holiday plans; we have often been able in the past to give advice about guides or districts to enquirers, and to suggest plans.

SUNDAY WALKS.—If members are desirous of arranging a training walk at any time, the Hon. Secretaries will always be very glad to put them in touch with others similarly inclined, whenever possible. Such members should communicate with one of the Hon. Secretaries not later than the previous Wednesday.

INSURANCE AGAINST ACCIDENTS.

As most people have by now realised, every member of the S.A.C. is insured against accidents, an addition having been made to the annual subscription for this purpose. In 1929 the procedure was changed. The sum payable at death was formerly 10,000 francs. This sum has now been altered and is different for some sections. Seventeen sections agreed to pay an extra five francs per annum to secure 10,000 francs, but the other sections were only willing to raise the levy by one franc. The latter sections are consequently only insured up to 8,000 francs.

By special arrangement with the Central Committee, Members of the Association are now insured against accidents while climbing in England, Scotland and Wales in the same manner as when they are climbing in the Alps.

THE ANNUAL DINNER.

The Annual Dinner was held on Wednesday, November 23rd, 1932, at the Hotel Great Central. The President was in the Chair and 92 members and guests were present. The guests of the Association were: His Excellency the Swiss Minister (Monsieur C. R. Paravicini); the President of the Alpine Club (Sir John J. Withers, C.B.E., L.L.D., M.P.); Sir Philip Gibbs, K.B.E.; Professor Kenneth Mason, M.C., M.A.; and the Vice-President of the City Swiss Club (Monsieur Marchand). The Toast List was as follows: "The King;" "The Swiss Confederation," proposed by Mr. John Poole and replied to by the Swiss Minister; "The Alpine Club and Kindred Societies," proposed by Mr. E. S. Herbert and replied to by the President of the Alpine Club; "The Guests," proposed by the President and replied to by Sir Philip Gibbs; and "The Chairman," proposed by Professor Kenneth Mason and replied to by the President.

- (c) To form a body able to present a collective opinion to the S.A.C. on any question of Alpine interest.
- (d) To promote among British climbers a spirit of sociability, and in particular to provide a common meeting ground in London or elsewhere.

The Committee may co-opt not more than three additional Members, one of whom must retire yearly; the mode of election and manner of retirement to rest with the Committee. Five Members shall constitute a quorum. The Committee may suggest names for Officers and Committee, but this is not to be taken as precluding any two Members from nominating candidates, whose consent, however, must be previously obtained.

At least three weeks' notice of the Annual Meeting shall be given to every Member; and nominations for Officers and Committee must be sent in to the Secretaries at least ten days before the Annual Meeting. In the event of more candidates being nominated than there are vacancies the election shall be by ballot.
