ASSOCIATION OF BRITISH MEMBERS
OF THE
SWISS ALPINE CLUB

*The Annual Report, Accounts and Balance Sheet
for 1937.*

THE OBJECTS OF THE ASSOCIATION, &c.

The Association of British Members of the Swiss Alpine Club was founded in 1909, with the main object of encouraging climbers and walkers in this country to join that Club. The S.A.C. (to give it its usual abbreviation) is nearly as old as the Alpine Club itself, and for over half a century has gone on steadily with its work of making the Alps accessible to climbers and others, in particular by building the 90 or more Club Huts which now exist. Before this Association came into being there had been many British members of the Club. But these were the exceptions rather than the rule, partly because the average British climber had no idea how to join, and partly because it did not occur to him that there was any point in doing so. But among those who were members, there were some who felt that such a state of affairs ought not to continue; that if our climbers used the huts, they should do something to help to maintain them, and that by some means it should be made easy to join the S.A.C. The energy of the late Mr. J. A. B. Bruce created a strong Committee, which undertook this matter and brought this Association into being under the late Mr. Clinton Dent as President. Within two years of the start there were 300 members and their number has continued to grow. The result of our activities is that the proportion of our countrymen who climb in the Alps and are now members of the S.A.C. is very large, and most of them are also members of this Association.

At the same time it was felt that there was need for a rallying point over here for these "clubbists," and as it is

not possible, by the rules of the S.A.C., for a section to be formed outside Switzerland, as was the case with the D.Oe.A.V. (which had a section at Manchester at one time), the Association acquired a room in which its members could meet together, and took upon itself something of the functions of a Club. All these arrangements were only undertaken after consultation with the Central Committee of the S.A.C., and the latter cordially welcomed the enterprise. In addition, as it was felt that we British climbers owed Switzerland something for past remissness, the fund to build the Britannia Hut was started and the building successfully carried through by 1912.

The Association has been able, in many ways, to co-operate with our Swiss colleagues, and at times to represent to them our views on mountaineering matters. On the other hand, the Central Committee has always looked on us with the greatest favour and has dealt very cordially with anything we have put before it.

The number of members is now 512 and in size is, with the exception of the Alpine Club, probably the largest club interested mainly in mountaineering in these islands.

An analysis of the list of members shows their distribution among the various sections to be as follows :—

Altels - - - -	10	Grindelwald - -	32
Bern - - - -	8	Interlaken - - -	24
Diablerets - -	73	Monte Rosa - - -	60
Geneva - - - -	196	Oberhasli - - -	17
Other Sections		27	

The membership of the Swiss Alpine Club itself is now over 30,000 in about 80 sections.

NEW MEMBERS.

29 new members have joined during the past year, but 23 have resigned or died. It is hoped that members will make every effort to secure *new candidates* for the S.A.C. and the Association.

The numbers are now :—

THE ADVANTAGES OF BELONGING TO THE SWISS ALPINE CLUB.

Quite apart from the sentimental feeling that a member of the S.A.C. is helping mountaineers in the country in which he is a guest to add to the amenities of the sport, the definite material advantages are set out below.

RIGHTS IN THE S.A.C. HUTS.

Members of the Club, together with their wives, have priority of right to the sleeping places and in many huts there is a room for members only; next after members comes the ladies' Swiss Club, and then the kindred clubs, such as the French A.C. Anyone else is really in a club hut on sufferance. In addition a member pays, in most huts, only 1 franc per night, and a non-member 3 francs. Those who intend to climb have priority over others in the same category. A member may introduce his wife and children (under 20 years of age) on the same terms as himself.

It is worth remembering, in connection with projected visits to huts that while a Section may reserve a hut for its members to the extent of three-quarters of its capacity only, one-quarter is always available for others of the S.A.C. It is generally worth the trouble before going to a hut to ascertain from a local hotel-keeper whether a hut is so reserved, and if it is, to go up there early in the day. As a rule these reservations may not be made on Saturdays and Sundays. It is when one comes down to a hut on a day when it has been reserved, that the advantages of membership are most precious.

A few of the huts in Switzerland do not belong to the S.A.C., but as a rule these are run in close alliance with that Club and the special regulations make little difference to members of the S.A.C.

REDUCTIONS ON RAILWAYS.

But the matter which, perhaps, makes the greatest appeal to many people is the advantages due to the large

reductions made to members on the mountain railways (except in the Engadine). In taking a holiday in some district a member saves, in these reductions, considerably more than his subscription to the Club.

For convenience we publish the official list of the reductions, somewhat abbreviated, from "Die Alpen," February, 1937.

These reductions, as a rule, apply only to a member, and *do not* include his wife and children.

- 50% Aigle-Leysin (33 $\frac{1}{3}$ % only on 2nd class tickets); Brunnen-Morschach-Axenstein; Chantarella-Corviglia; Furka-Oberalp; Gerschnialp (33% only on return tickets and no reduction on the descent); Gornergrat; Interlaken-Heimwehfluh; Martigny-Châtelard; Oberalp (see Furka); Ritom; Visp-Zermatt.
- 42% Arth-Rigi (includes wife and children).
- 40% Aigle-Sépey-Diablerets; Montreux-Glion, Territet-Glion, and Glion-Rochers de Naye (no reduction on intermediate stages); Sierre-Montana-Vermala.
- 33% Schöllenen.
- 31% Nyon-St. Cergue-Morez.
- 30% Jungfrau; Leukerbad; Monthey-Champéry-Morgins.
- 25% Berner Oberland; Bex-Gryon-Villars and Villars-Chésieres-Bretaye (Chamossaire); Chamonix-Montanvers; Lauterbrunnen-Murren-Allmendhubel (Seilbahn); Mont Blanc (15% only on single tickets); Muottas-Muraigl; Rechtsufrige Lake of Thun Railway (for the complete circuit Thun-Interlaken); Schynige Platte; Wengernalp.
- 20% Braunwald; Brienz-Rothorn-Bahn; Martigny-Orsières; Stanserhorn; Stansstad-Engelberg; Lake of Thun to Beatenberg.
- 15% Niesen.

There are also minor reductions in connection with motor-cars in one or two places.

To obtain these reductions it is absolutely necessary to present the card of membership when booking.

It is worth noting that the reductions are mostly available to members of the corresponding Ladies' Swiss Alpine Club, so that the old feminine grievance that only the men got any reductions is now a thing of the past, if ladies will join their Swiss Club. In this connection, the Hon. Secretaries may be able to advise members how their friends of the other sex may join the ladies' club, which does not seem to be so well known as it might be. We may add that the badge of the ladies club is a particularly attractive one.

HOW TO JOIN THE SWISS ALPINE CLUB.

It is often thought by non-members that some qualification is necessary to join the S.A.C. This is not the case. Anyone can join who can find a proposer and a seconder. The following is the procedure for anyone who wishes to join :—

Write to the Hon. Treasurer, Mr. C. T. Lehmann, 28, Monument Street, E.C.3, or to one of the Hon. Secretaries (letters should be marked S.A.C. on the envelope); in this letter the writer should state whether he wishes to join a French, German, or Italian-speaking section.

Arrangements will then be made for the joining of a particular section, and an entrance form will be sent. If the aspirant has no one to propose or second him, suitable arrangements will be made to obviate this difficulty. The entrance form, when filled in, must be returned in all cases to Mr. Lehmann, together with a small photograph, passport size, and the necessary subscription and entrance fee.

For the benefit of those who leave things until the last moment, we would point out that arrangements have been made whereby members of the Geneva and the Diablerets Sections (both of which are French-speaking Sections) can be enrolled at *this* end. This takes a week or ten days.

Normally it takes about two months, as in the case of all other sections it is necessary to communicate with the local Committees.

A list of the principal sections, together with their subscriptions, will be found at the end of this report.

In addition, the subscription to the Association is £1 for Town members and 10s. for Country members. A Country member is defined under the Rules as being a member who resides outside a radius of 50 miles of Charing Cross. There is no entrance fee. Anyone who joins the Association may pay through Mr. Lehmann by sending him a Banker's Order, which is the most convenient way, or by remitting him each January the necessary subscription. The Association is willing to arrange for anyone to join the S.A.C., but only continues the remittances to Switzerland for those who join the Association as well. Life membership of the Association costs £8 8s. for Town members and £4 4s. for Country members.

CARDS OF MEMBERSHIP OF THE S.A.C.

The Swiss Alpine Club Membership Card (the buff card with the member's photograph inside) is usually issued every three years, but the new Central Committee has decided that the old cards shall continue to be available until further notice, *provided the gummed slip (pink for 1938), with the signature of the President of the Central Committee, which has just been issued, is affixed to the lower half of the inside cover.* It is very necessary for all members to be careful about this.

Instead of the coloured cards issued by the various Sections as receipt for the current year's subscription, membership cards have to be provided with the gummed slip (measuring about $3\frac{1}{2} \times 1\frac{1}{2}$ inches), bearing the date of year of issue. This gummed slip must be affixed to the inside of the card over the 1937 slip, and members are earnestly requested to stick it in as soon as they receive it. Last year quite a number of members forgot to do so and only noticed the imperfection of their

membership card when about to go to Switzerland, and then hastily appealed for assistance to the Hon. Treasurer, who has not always a stock of these receipt slips, seeing that each Section only sends him as many slips as there are members.

Loss of Membership Card or Badge.—It is inevitable that someone or other should lose his card or badge, and this is most likely to be discovered at holiday times. If such a loss occur, it is best for the member concerned to write direct to his Section Treasurer, as our own officials are quite likely to be away at such a time, and in any case can only refer the matter to Switzerland. To avoid delay a photograph should be sent at the same time if it be the membership card that has been lost. Members of the Geneva, Diablerets and Interlaken Sections, however, can obtain new membership cards and badges straight away from the Hon. Treasurer's office. Price for new membership card is 1/-.

The price of a new badge is 2/6.

OFFICERS AND COMMITTEE.

All the officers were re-elected. The following members of the Committee retired, having completed their term of office: Messrs. H. Longley-Cook, T. W. Sallitt, R. H. Sennett and F. S. Smythe. The resulting vacancies were filled by the election of Messrs. M. L. Dix (Monte Rosa), Hugh Gardner (Monte Rosa), J. A. Marsden-Neye (Geneva) and F. R. Mills (Geneva). Monsieur Walter de Bourg, one of the co-opted members of the Committee, had also resigned on leaving England to take up another appointment; his place has been filled by his successor at the Swiss Legation, Monsieur Jean de Rham.

FINANCE.

The accounts for the year show that Income has exceeded Expenditure by £48 16s. 1d. It should be noted that of this £24 15s. 3d. has been contributed by Geneva and Diablerets Sections, in the one case towards

rent of our Club Rooms and in the other towards our general expenses ; and that dividends from our investments brought in £41 4s. 4d., making altogether £65 19s. 7d. No account has been taken of the stock of "Technique of Alpine Mountaineering," nor do we take into our assets furniture and valuable library now in our possession.

The Hon. Treasurer would like to thank those many members who have taken note of his request to pay their annual subscription promptly. There has been marked improvement in 1937 over previous years.

ANNUAL DONATION FROM GENEVA AND DIABLERETS SECTIONS.

The Geneva Section has contributed £20 towards the expenses of the Association so that members of the S.A.C. resident in this country may obtain, out of the subscriptions paid by them, some of the advantages which their Swiss colleagues enjoy, but from which we are debarred by living in this country. The Diablerets Section has contributed 100 francs for the same purpose.

THE HONORARY SECRETARIES.

The addresses of the Hon. Secretaries will be found inside the cover.

All communications concerning the Association Meetings should be sent to Mr. M. N. Clarke ; other communications may be made to either Secretary.

THE HONORARY TREASURER.

All communications concerning subscriptions should be sent to the Hon. Treasurer, Mr. C. T. Lehmann, 28, Monument Street, E.C.3. Telephone : Mansion House 1214.

QUALIFICATION FOR MEMBERSHIP.

The necessary qualification for membership of the Association is membership of the Swiss Alpine Club, but life members of the Association who have retired from the S.A.C. may remain as members of the Association, but they may not hold office or vote at meetings.

SUBSCRIPTIONS.

The Association undertakes to collect and forward members' subscriptions to Switzerland, but it is a very great convenience and saving of trouble to the Honorary Treasurer if members give him a Banker's Order for whatever is due to their section. Those who do not do so should take care to send their subscriptions in *promptly on January 1st*, as the sections expect early payment and are apt to strike late payers out of their lists early in the year.

Resignations must be sent in before December 31st.

THE CLUB ROOM AND LIBRARY.

The Library and Club Room are now at Room 121 at the Hotel Great Central. This room, which is available at all times, is on the first floor, and is best reached by the entrance from Marylebone Station. The key may be obtained on application to the Reception Office.

Members are particularly requested not to forget to return the key to the Reception Office before they leave the Hotel.

A list of books in the Library is printed elsewhere in this Report, and the Hon. Librarian will be glad of suggestions as to additions. Books may be borrowed and any borrower should enter his name in the Book provided for the purpose. Certain rare books are in the special custody of the Hon. Librarian.

Guide books and Maps are not to be taken away.

CLUB NOTES.

The increasing membership which started in 1936 has continued, the total being 512, as compared with 506 this time last year. This is not as much as we should like to see it ; but there is no doubt but that the more fashionable attractions of Winter Sports have an adverse influence on the number of young men who visit Switzerland in summer and who would be likely members for the Swiss Alpine Club.

In 1937 we decided to have only two Ladies' Dinners instead of three, and this policy seems to have been right, for the attendance on both occasions was over 80. Attractive programmes no doubt have something to do with it. On February 24th Mr. Odell, now on his way to Everest, gave us a talk on Nanda Devi, illustrated by lantern slides. We hope to see him come back from Everest as a member of a victorious party and to give us a first-hand account of this climb. We all remember the talk he gave us years ago on his visit first to the Himalayas.

On September 22nd Mr. Ceresole, the manager of the London branch of the Swiss Federal Railways, gave us a cinematographic display of how climbing should be done as illustrated by three Grindelwald guides. The film was roughly divided into Rock Work, Snow, Ice and Ski-ing. The film was extremely well taken.

The monthly discussions were all of a high standard and well attended, and details of these will be found on another page. The Easter Meet and the Swiss Dinner, which are referred to elsewhere, were both extremely successful. The Annual Dinner also went off very well, although the attendance was slightly below that of last year.

We regret that we have to record the loss of another distinguished Honorary Member in the death of Lord Conway of Allington.

Lord Conway always took an active interest in the Association, and from the start gave it his invaluable

support. In addition, he often attended and spoke at our Annual Dinners.

He was, perhaps, one of the best-known among all mountaineers and explorers of his time, and his memory and the record of his achievements will long remain with us.

Dr. Claude Wilson, who died suddenly last December, was well known to most of our members.

He was a well-known climber for many years; an ex-President of the Alpine Club and a leading exponent of guideless climbing. He was fortunate in being able to continue his activities both in winter and summer practically to the last.

Many of us will recall with pleasure how he came and took part in a discussion on "Climbing at Seventy and Over" at one of our monthly meetings. He will be deeply missed among his many friends in the Association.

We also much regret to have to record the deaths during the past year of Brigadier-General L. S. Blackden, the Rev. C. Hutchinson, the Rev. C. G. Monro, Mr. H. F. B. Sharp and Mr. C. H. Wenham.

The monthly discussions which were started in October, 1930, were continued throughout the past year, and have now become not merely one of the regular but one of the most popular features in the life of the Association. In April we broke new ground by showing a film illustrative of climbing in Great Britain, and all the other discussions were, as usual, illustrated by lantern slides. A detailed list is set out below :

- January 13th—"The Bregaglia" (N. S. Finzi and J. E. Montgomery).
- February 10th—"The Chamonix Aiguilles" (T. A. Peacocke).
- March 10th—"Hut Crawling Above the Snow Line" (R. W. Galpin).

April 14th—Climbing Film (S. B. Donkin).

June 9th—"Zermatt" (Hugh Gardner).

October 13th—"Climbing in Scotland" (A. A. Galloway).

November 10th—"The Dolomites" (G. R. Speaker).

December 1st—"A Week in the Oberland with the Diablerets Section" (A. U. Sarpy).

The attention of members is drawn to the List of Meetings for 1938, which was issued at the end of November and is reprinted elsewhere in this Report.

The Easter Meet was held at Fort William from March 25th to March 30th, and some 16 members and friends turned up. We again stayed at the Station Hotel, which we found most satisfactory in every way. One thing which was particularly appreciated was the excellence of the packed lunches which are a failing with so many hotels. We were exceptionally fortunate with our weather this year. On the Thursday and Friday the weather was fine but cold; but on the remaining four days we had the most glorious weather that could possibly be imagined—a hot sun, not a breath of wind and not a cloud in the sky. The snow conditions were very different to what they were in 1934, and what were then easy ridges sometimes proved on this occasion to be sensational arrêtes. The gullies on the north-east face of Ben Nevis provided excellent sport for the more ambitious members of the party. Altogether it was an extremely successful and enjoyable meet. We are again very much indebted to Colonel Sir Henry Fairfax-Lucy and others for so kindly granting us permission to wander at will over their property.

The 1938 Easter Meet will take place, as already announced, at Capel Curig from April 14th to April 19th. Full details will be issued later.

This year's Annual Dinner in Switzerland took place at the Schweizerhof at Grindelwald on August 12th,

which seems to be a very favourite date. To keep up the tradition which seems to have obtained for the last year or two, we had a minor accident a few days before which threatened to cast a gloom over the proceedings ; but the excellent account we received of the progress of our two friends dissipated any apprehensions that might have been felt.

The President, Mr. C. T. Lehmann, was in the chair, and 49 members and guests came to partake of the very excellent dinner provided by Mr. Anneler. He had promised to surpass his previous achievements in the realm of international cuisine, but the President induced him to give us instead a purely Swiss dinner, drawn as much as possible from the surrounding country, and this is the menu, jointly prepared but superbly produced by the one and unique chef :

Melon glacé de l'Eiger Nord-wand

Crème d'Epinards du Valais

Truite au bleu, Sauce Genevoise

Chouxfleurs Polonaise

Chaufroid de Volaille de Bresse en Bellevue

Rosti à la Bernoise

Salade aux Haricots Verts de Grindelwald

Bombe Nationale, Gaufrettes

Chanterelles de Happy Valley sur Canapé

The Chouxfleurs Polonaise does sound extra territorial, but as a matter of fact they came from Mr. Anneler's own kitchen garden.

Mr. de Kalbermatten, President of the Central Committee, should have been the guest of honour, but he was unfortunately prevented at the last moment, and Mr. Renaud-Bovy-Lysberg, of the Geneva Section, was kind enough to represent him as well as the Geneva Section.

Among other guests were Mr. Ceresole, manager of the London office of the Swiss Federal Railways, the Mayor and Curé of Grindelwald, the head Guide, and representatives from the Grindelwald, Interlaken, Oberhasli, and Lauterbrunnen Sections, to say nothing of the "Flying Dutchman."

Mr. Lehmann, in an admirable little speech, illustrated what the Swiss Alpine Club does and why every British climber should belong to it, and this toast was eloquently replied to by Mr. Renaud-Bovy-Lysberg. Then the health of the guests was proposed by Sir William Ellis in his usual accomplished manner—there is probably no other speaker who can do this in three languages to the satisfaction of all listeners. Mr. Ceresole replied on their behalf, and, towering as he does some seven inches above the head of the tallest present, intimated that he would be short; but as he is a man every inch of him, the sum total of those inches made a better speech than many of us could produce on such an occasion.

The evening would not have been complete without an impromptu by General Bruce, which, though not on the toast list, was loudly demanded by all, and somehow it appeared that the ladies present were the most enthusiastic in their appeals, and probably the most successful.

To add to the enjoyment of the evening the Grindelwald Section presented to each person a charming porcelain ash tray, with the S.A.C. arms in the centre and a border of gentian and rhododendrons.

Mr. and Mrs. Anneler should be most heartily congratulated on the excellent dinner which they gave, and the vote of thanks which was given to them at the conclusion of the evening was not only for their culinary art, but for the feeling of hospitality and friendliness

which permeates the whole of their hotel and seemed to fill the dining-room which they had set apart for our entertainment.

The question has more than once been mooted of the possibility of getting the reduced fares to Switzerland which are available when a large enough party goes on the same day. The difficulty is, of course, that of fixing a day on which to travel, and of a place to go to, if a further suggestion that the Association should have a "Meet" and thereby get reductions in hotel accommodation, is also carried out. So far the idea has not been popular, but it would be valuable to the Hon Secretaries if members could let their views be known, especially those members not living in London.

Mr. A. N. Andrews (one of our Vice-Presidents) represented the Association at the annual banquet of the City Swiss Club in November, where they entertained him right royally; and we were very pleased to welcome to our Annual Dinner a few days later their Hon. Treasurer (Mr. R. de Cintra), who in an admirable speech proposed the health of the Association.

We consider it a great privilege to be on such friendly terms with the City Swiss Club, and we value this connection with Switzerland very highly.

The Hon. Librarian reports that borrowings of books throughout the year were about normal, though sub-normal in the case of provincial borrowings.

Books new to the library to the number of 47 were added during the year and are incorporated in the current catalogue.

This considerable accession to the library was mainly due to the generous gift of books presented by Mrs. Hutchinson in memory of her late husband, the Rev. C. Hutchinson, of Weston-super-Mare, who was a S.A.C. veteran and life member.

During the year 86 copies of the "Technique of Alpine Mountaineering" have been sold. An ample supply of these booklets remains, and they are available at 2/6 per copy, post free.

During the year the Association has received the publications of the following clubs: Alpine Club, Climbers' Club, F. & R. C. Club, Ski Club of Great Britain, Scottish Mountaineering Club, Mountain Club of East Africa, Club Alpino Italiano, Midland Association of Mountaineers, Ladies' Alpine Club, S.A.C., C.A.F., Mountaineering Journal, Rucksack Club, Ladies Scottish Climbing Club, Alpine Ski Club, and Camping Club (Mountaineering Section).

The Hon. Librarian is always pleased to post books to members who are unable to visit the Club Room.

Members are invited to avail themselves of the "Hotel Book" (which will be found in the bureau in the Club Room), for recording their comments on the various hotels which they may have come across in the course of their travels. This book is intended to be used both for commendation and for commination.

We should again like to take this opportunity of expressing our appreciation of the hospitality which has been extended to us by our friends of the Ladies' Alpine Club during the past year. They again sent us tickets for their excellent exhibition of Alpine Paintings, and they also invited several of our officers to their Annual Dinner. We were very pleased to be able to welcome the officers of the Ladies' Alpine Club to our Ladies' Night Dinner last February, and we are again very much looking forward to having the pleasure of their company on February 23rd.

We should like to extend to the Ladies' Alpine Club at the same time our deepest sympathy for the tragic loss which they have sustained in the death of their Hon.

Secretary, Miss Ruth Hale, in the Carpathians last September. Miss Hale was a very fine climber and a lady of great charm, and she will be sadly missed by all those who had the privilege of knowing her.

SUMMER HOLIDAYS, 1938.

The Hon. Secretaries will be glad to hear from any members who wish for help in making up parties for the Alps or elsewhere. It is not possible for the Association officials to organise parties, but they are quite prepared to put members in touch with one another when they can, and this has often been done in the past. The monthly dinners for those who can attend them are, of course, an admirable opportunity for making summer arrangements, and if members who are short of climbing companions will acquaint the Secretaries beforehand, something can often be done in the way of introductions at one of the dinners.

It is desirable that communications on this subject should be sent early, not later than the first half of July, as the Secretaries may themselves be away. It is hoped that beginners in particular will avail themselves of the help of the officials of the Association in any matters connected with holiday plans; we have often been able in the past to give advice about guides or districts to enquirers, and to suggest plans.

The attention of members is drawn to the numerous excursions and climbs which are arranged by all the Sections of the S.A.C., and which afford an opportunity of some extraordinary good climbs at a very moderate cost. Although perhaps it is preferable to climb with one's own Section, one can always join a climb of another Section—and, further, one can always be assured of a very hearty welcome. For those who want to cut down expenses these Section climbs should prove invaluable.

Further details may be obtained from the Hon. Treasurer

or Hon. Librarian; but members will probably be interested more particularly in the following :—

Detailed particulars of the excursions planned by the Interlaken and Monte Rosa Sections are not yet to hand.

In order to avoid disappointments members are earnestly requested to communicate with the Hon. Treasurer or Hon. Librarian in good time so that further particulars can be given, as for obvious reasons only general indications are given above.

Unless otherwise stated the cost is given in Swiss francs, but, as it generally includes transport from headquarters of the Section to the locality of the climb, a reduction can generally be allowed for if the member is already in the particular district. Adequate notice, of course, must always be given to the Secretary of the Section. For the more severe climbs the party must not exceed 12 climbers.

The above list gives all the major climbs in the high season. Minor climbs are given in more detail in the Section programmes. As only one guide is usually taken on these Section climbs, the major ones should not be attempted by inexperienced climbers, but only by those who would be competent to join a guideless party.

SUNDAY WALKS.—If members are desirous of arranging a training walk at any time, the Hon. Secretaries will always be very glad to put them in touch with others similarly inclined, whenever possible. Such members should communicate with one of the Hon. Secretaries not later than the previous Wednesday.

INSURANCE AGAINST ACCIDENTS.

The Swiss Alpine Club have renewed their contract with a number of Swiss Insurance Companies for three years from the 1st January, 1936, with a few slight modifications as compared with the 1932/35 contract. The sum assured varies according to the sections. With some it is 10,000 francs, with others 8,000 francs, payable at death, or proportionately for permanent or temporary disablement.

The Insurance covers accidents in the Central European Alps, the Jura, Pyrenees, Apennines, Carpathians, Vosges, Black Forest, England, Scotland and Wales, but it does not cover Norway, Himalayas, etc.

The benefit of the insurance can now only be paid to wife and children, grandchildren, parents, and brothers or sisters, and the benefits cannot be assigned to, or claimed by, any other parties.

Additional policies can be obtained :

(a) For payment of 3 francs, to bring up the insurance for death or permanent disablement from 8,000 to 10,000 francs for climbing accidents only.

(b) 3 francs to secure the same benefits as above for ski accidents.

It should be noted that ski accidents in the first place do not cover jumping, or accidents occurring while the insured is taking part in any sporting event, and that the accident must be part of a genuine ski run, *i.e.* when skis are used as a means of transport in what may be considered a mountaineering expedition.

Additional premiums of :

8.20 francs will cover 3 francs daily during temporary disablement, starting from the eighth day and up to one year, but the amount will depend on the degree of disablement and not exceed 3 francs.

9.40 francs will cover medical expenses up to 3 francs per day, limited to 300 francs.

14.60 francs will cover medical expenses and a daily allowance on the above scales.

There may be various combinations of the above, or even doubling or trebling of one particular form of insurance.

All these various combinations are set forth in the issue of "Die Alpen," December, 1934.

In no case are expenses of a rescue party or transport covered by insurance.

Neither the Association nor individual members can accept any liability for the above brief particulars of insurance. For full terms of the contract of insurance members are referred to the issue of "Die Alpen," January, 1936—printed in French.

THE ANNUAL DINNER.

The Annual Dinner was held on Wednesday, November 24th, at the Hotel Great Central. The President was in the chair and over 80 members and guests were present.

Paravicini) ; General Sir Aylmer Haldane, G.C.M.G., K.C.B., D.S.O. ; Air Marshal Sir Cyril Newall, K.C.B., C.M.G., C.B.E. ; Mr. E. S. Herbert (Hon. Secretary of the Alpine Club) ; Mr. H. Norman Fox (Hon. Treasurer of the Mountaineering Section of the Camping Club) ; Mr. R. de Cintra (Hon. Treasurer of the City Swiss Club) ; Mr. Sidney Spencer and Dr. H. W. Hoek.

The Toast List was as follows : "The King," "The Swiss Confederation," proposed by the Hon. Quintin Hogg and replied by to the Swiss Minister ; "The Alpine Club and Kindred Societies," proposed by Wing Commander E. B. Beauman and replied to by Mr. E. S. Herbert ; "The Guests," proposed by Brigadier-General The Hon. C. G. Bruce and replied to by General Sir Aylmer Haldane ; and "The Association," proposed by Mr. R. de Cintra and replied to by the President.

OF THE
SWISS ALPINE CLUB

RULES

1. NAME.

The name of the Association shall be "THE ASSOCIATION OF BRITISH MEMBERS OF THE SWISS ALPINE CLUB."

2. OBJECTS.

The objects of the Association shall be :—

- (a) To encourage British Alpinists to support the Swiss Alpine Club in all its work by becoming members of a Section of that body.
- (b) To collect funds for the building or maintenance of S.A.C. Huts, and for such other purposes as the Committee may from time to time determine.
- (c) To form a body able to present a collective opinion to the S.A.C. on any question of Alpine interest.
- (d) To promote among British climbers a spirit of sociability, and in particular to provide a common meeting ground in London or elsewhere.
- (e) To initiate and co-operate in any movement that may tend to increase the membership of the S.A.C. and of this Association.

3. CONSTITUTION.

The Association shall consist of (1) Ordinary Members and (2) Honorary Members.

Ordinary Members shall be divided into two classes (a) Town and (b) Country. Town Members shall be those who reside within a radius of 50 miles of Charing Cross. Country Members shall be those who reside outside that radius.

The qualification for ordinary membership shall be membership of some section of the S.A.C. The election of Ordinary Members shall be absolutely under the control of the Committee. Honorary Members shall be elected by the Committee at their discretion.

4. SUBSCRIPTION.

The subscription to the Association shall be £1 per annum for Town Members and 10/- per annum for Country Members, the first subscription to be payable at election and subsequent subscriptions on the 1st January in each year. Any Member whose subscription shall not have been paid on or before the 1st March shall cease to be a Member of the Association, but may be reinstated on payment of arrears at the discretion of the Committee. Any Member joining after the 1st November shall not be required to pay his subscription for the ensuing year.

The payment of £8 8s. 0d. in the case of Town Members and £4 4s. 0d. in the case of Country Members shall constitute Life Membership.

For those elected BEFORE 1921 it shall be optional whether they pay 5/-, 10/- or £1 subscription, or £2 2s. 0d., £4 4s. 0d. or £8 8s. 0d. for Life Membership. For those elected AFTER 31st December, 1920, but BEFORE the 1st of January, 1930, it shall be optional whether they pay 10/- or £1 subscription or £4 4s. 0d. or £8 8s. 0d. for Life Membership.

5. MEETINGS.

- (a) An Annual General Meeting and Dinner shall be held in November or December. Other meetings may be held as the Committee think fit.
- (b) The Committee, on the requisition of twelve members, shall at any time call a Special General Meeting, provided that seven clear days' notice be given to all Members of such a Special General Meeting, together with full information as to the place, time, and business to be transacted.

6. COMMITTEE.

The Management of the Association shall be vested in a Committee to be elected at the Annual General Meeting and to hold office from the 1st January following. The Committee shall consist of *ex-officio* members, Ordinary Members, and such extra Members, not exceeding three, as may be co-opted in the manner hereinafter provided.

- (a) The *ex-officio* Members shall be the officers of the Association for the time being, viz. :
 - President,
 - Vice-Presidents,
 - Two Hon. Secretaries,
 - Hon. Treasurer,
 - Hon. Librarian,
 - Hon. Solicitor ;

who shall be elected at the Annual General Meeting, provided that the President shall not serve for longer than three years in succession.

- (b) The Ordinary Members of the Committee shall be twelve in number. One-third of them shall retire annually, and shall not be eligible for re-election until after one year has elapsed. The Committee may co-opt not more than three additional Members, one of whom must retire yearly; the mode of election and manner of retirement to rest with the Committee. Five Members shall constitute a quorum. The Committee may suggest names for Officers and Committee, but this is not to be taken as precluding any two Members from nominating candidates, whose consent, however, must be previously obtained.

At least three weeks' notice of the Annual Meeting shall be given to every Member; and nominations for Officers and Committee must be sent in to the Secretaries at least ten days before the Annual Meeting. In the event of more candidates being nominated than there are vacancies the election shall be by ballot.

7. POWERS OF THE COMMITTEE.

- (a) The Committee may, by a two-thirds majority of those present, remove the name of any Member from the list of Members if they consider his conduct to be incompatible with membership of the Association; but such person shall have the right of appeal to the next Annual or Special General Meeting, which shall have the power of annulling, by a two-thirds majority of those present and voting, the decision of the Committee.
- (b) The Committee shall have power to submit any proposal affecting the Association to an Annual or Special General Meeting of the Members of the Association.
- (c) The Committee shall have power to increase the number of Officers by two.

8. ACCOUNTS.

The Accounts of the Association shall be audited in January and presented by the Hon. Treasurer at the next General Meeting of the Association, and shall be published with the Annual Report.

9. CASUAL VACANCIES.

The Committee shall have power to fill up casual vacancies amongst the Officers or Committee; and those chosen shall serve for the unexpired period of office for which the Members whom they succeed were respectively elected.

10. ROOM FOR MEETINGS AND LIBRARY.

The Committee shall have power to hire premises for the purposes of the Association.

11. PUBLICATIONS.

The Committee shall have power to publish an Annual Report and other publications.

12. ALTERATIONS OF RULES.

A General Meeting shall have power, by a majority of not less than two-thirds of the Members present and voting, to alter or add to the existing Rules of the Association.

13. REGULATIONS.

The Committee shall have power to make such regulations, not being inconsistent with these Rules, as they think to be for the well-being of the Association.

14. THE CHAIRMAN.

The Chair, whether at a General Meeting or at a Meeting of the Committee, shall be taken by the President of the Association, or in his absence by one of the Vice-Presidents. In the absence of the President and Vice-Presidents, the Meeting shall elect a Chairman from among the Members present. The Chairman shall, in case of an equality of votes, have a second or casting vote.

15. RETIRED LIFE MEMBERS.

Life Members of the Association who have ceased to be Members of the Swiss Alpine Club may enjoy the privileges of the Association except that they shall not be eligible to fill any office of the Association or to serve on the Committee or to vote at any of the meetings.
