ASSOCIATION OF BRITISH MEMBERS
OF THE
SWISS ALPINE CLUB

*The Annual Report, Accounts and Balance Sheet
for 1942.*

THE OBJECTS OF THE ASSOCIATION, &c.

The Association of British Members of the Swiss Alpine Club was founded in 1909, with the main object of encouraging climbers and walkers in this country to join that Club. The S.A.C. (to give it its usual abbreviation) is nearly as old as the Alpine Club itself, and for over half a century has gone on steadily with its work of making the Alps accessible to climbers and others, in particular by building the 90 or more Club Huts which now exist. Before this Association came into being there had been many British members of the Club. But these were the exceptions rather than the rule, partly because the average British climber had no idea how to join, and partly because it did not occur to him that there was any point in doing so. But among those who were members, there were some who felt that such a state of affairs ought not to continue; that if our climbers used the huts, they should do something to help to maintain them, and that by some means it should be made easy to join the S.A.C. The energy of the late Mr. J. A. B. Bruce created a strong Committee, which undertook this matter and brought this Association into being under the late Mr. Clinton Dent as President. Within two years of the start there were 300 members and their number has continued to grow. The result of our activities is that the proportion of our countrymen who climb in the Alps and are now members of the S.A.C. is very large, and most of them are also members of this Association.

At the same time it was felt that there was need for a rallying point over here for these "clubbists," and as it is not possible, by the rules of the S.A.C., for a section to be formed outside Switzerland, as was the case with the D.Oe.A.V. (which had a section at Manchester at one time), the Association acquired a room in which its members could meet together, and took upon itself something of the functions of a Club. All these arrangements were only undertaken after consultation with the Central Committee of the S.A.C., and the latter cordially welcomed the enterprise. In addition, as it was felt that we British climbers owed Switzerland something for past remissness, the fund to build the Britannia Hut was started and the building successfully carried through by 1912.

The Association has been able, in many ways, to co-operate with our Swiss colleagues, and at times to represent to them our views on mountaineering matters. On the other hand, the Central Committee has always looked on us with the greatest favour and has dealt very cordially with anything we have put before it.

The number of members is now 413 and an analysis of the list of members shows their distribution among the various sections to be as follows :—

Altels - - - -	8	Grindelwald - -	18
Bern - - - -	2	Interlaken - - -	22
Dialerets - - -	43	Monte Rosa - - -	38
Geneva - - - -	139	Oberhasli - - -	13
Other Sections 27			

The membership of the Swiss Alpine Club itself is now over 30,000 in about 80 sections.

NEW MEMBERS.

23 new members have joined during the past year, but 10 have resigned or died. It is hoped that members will make every effort to secure *new candidates* for the Association.

The numbers are now :—

December 31st, 1942	-	-	-	-	-	423
Less Resignations, Deaths, etc., during 1942	-					<u>10</u>
Total, January 1st, 1943	-	-	-	-	-	<u>413</u>

Of these, 103 are Life Members, 9 Honorary Members, 197 Ordinary Members, 70 on the Retired List, and 34 on the Temporary Retired List.

THE ADVANTAGES OF BELONGING TO THE SWISS ALPINE CLUB.

Quite apart from the sentimental feeling that a member of the S.A.C. is helping mountaineers in the country in which he is a guest to add to the amenities of the sport. the definite material advantages are set out below.

RIGHTS IN THE S.A.C. HUTS.

Members of the Club, together with their wives, have priority of right to the sleeping places and in many huts there is a room for members only; next after members comes the ladies' Swiss Club, and then the kindred clubs, such as the French A.C. Anyone else is really in a club hut on sufferance. In addition a member pays, in most huts, only 1 franc per night, and a non-member 3 francs. Those who intend to climb have priority over others in the same category. A member may introduce his wife and children (under 20 years of age) on the same terms as himself.

It is worth remembering, in connection with projected visits to huts that while a Section may reserve a hut for its members to the extent of three-quarters of its capacity only, one-quarter is always available for others of the S.A.C. It is generally worth the trouble before going to a hut to ascertain from a local hotel-keeper whether a hut is so reserved, and if it is, to go up there early in the day. As a rule these reservations may not be made on Saturdays and Sundays. It is when one comes down to a hut on a day when it has been reserved, that the advantages of membership are most precious.

A few of the huts in Switzerland do not belong to the S.A.C., but as a rule these are run in close alliance with that Club and the special regulations make little difference to members of the S.A.C.

REDUCTIONS ON RAILWAYS.

But the matter which, perhaps, makes the greatest appeal to many people is the advantages due to the large reductions made to members on the mountain railways (**except** in the Engadine). In taking a holiday in some

districts a member saves, in these reductions, considerably more than his subscription to the Club.

For convenience we publish the official list of the reductions, somewhat abbreviated, from "Die Alpen," February, 1941.

These reductions, as a rule, apply only to a member, and *do not* include his wife and children.

- 50% Aigle-Leysin (33 $\frac{1}{3}$ % only on 2nd class tickets); Brunnen-Morschach-Axenstein; Chantarella-Corviglia; Furka-Oberalp; Gerschnialp (33% only on return tickets and no reduction on the descent); Gornergrat; Interlaken-Heimwehfluh; Martigny-Châtelard; Oberalp (see Furka); Ritom; Visp-Zermatt.
- 42% Arth-Rigi (includes wife and children).
- 40% Aigle-Sépey-Diablerets; Monthey-Champéry-Morgins; Montreux-Glion, Territet-Glion, and Glion-Rochers de Naye (no reduction on intermediate stages); Sierre-Montana-Vermala.
- 33% Schöllenen.
- 31% Nyon-St. Cergue-Morez.
- 30% Jungfrau; Leukerbad; Niesen; Salève-Schwebelbahn (25% only on single tickets); Schwyz-Stoos Drahtseilbahn.
- 25% Berner Oberland; Bex-Gryon-Villars and Villars-Chésieres-Bretaye (Chamossaire); Chamonix-Montanvers; Lauterbrunnen-Murren-Allmendhubel (Seilbahn); Muottas-Muraigl; Rechtsufrige Lake of Thun Railway (for the complete circuit Thun-Interlaken); Schynige Platte; Wengernalp.
- 20% Beckenried-Klewenalp (Luftseilbahn); Braunwald; Brienz - Rothorn - Bahn; Martigny - Orsières; Mont Blanc (15% only on single tickets); Pilatus; Stanserhorn; Stansstad - Engelberg; Lake of Thun to Beatenberg.

There are also minor reductions in connection with motor-cars in one or two places.

To obtain these reductions it is absolutely necessary to present the card of membership when booking.

It is worth noting that the reductions are mostly available to members of the corresponding Ladies' Swiss Alpine Club, so that the old feminine grievance that only the men got any reductions is now a thing of the past, if ladies will join their Swiss Club. In this connection, the Hon. Secretaries may be able to advise members how their friends of the other sex may join the ladies' club, which does not seem to be so well known as it might be. We may add that the badge of the ladies club is a particularly attractive one.

HOW TO JOIN THE SWISS ALPINE CLUB.

It is often thought by non-members that some qualification is necessary to join the S.A.C. This is not the case. Anyone can join who can find a proposer and a seconder. The following is the procedure for anyone who wishes to join :—

Write to the Hon. Treasurer, Mr. C. T. Lehmann, 35, Mattock Lane, Ealing, W.5, or to one of the Hon. Secretaries (letters should be marked S.A.C. on the envelope); in this letter the writer should state whether he wishes to join a French, German, or Italian-speaking section.

Arrangements will then be made for the joining of a particular section, and an entrance form will be sent. If the aspirant has no one to propose or second him, suitable arrangements will be made to obviate this difficulty. The entrance form, when filled in, must be returned in all cases to Mr. Lehmann, together with a small photograph, passport size, and the necessary subscription and entrance fee.

For the benefit of those who leave things until the last moment, we would point out that arrangements have been made whereby members of the Geneva, Diablerets and Interlaken Sections (the first two being French-speaking and the third German-speaking) can be enrolled at *this* end. This takes a week or ten days. Normally it takes about two months, as in the case of all other sections it is necessary to communicate with the local Committees.

A list of the principal sections, together with their subscriptions, will be found at the end of this report.

In addition, the subscription to the Association is £1 for Town members and 10s. for Country members. A Country member is defined under the Rules as being a member who resides outside a radius of 50 miles of Charing Cross. There is no entrance fee. Anyone who joins the Association may pay through Mr. Lehmann by sending him a Banker's Order, which is the most convenient way, or by remitting him each January the necessary subscription. The Association is willing to arrange for anyone to join the S.A.C., but only continues the remittances to Switzerland for those who join the Association as well. Life membership of the Association costs £8 8s. for Town members and £4 4s. for Country members.

CARDS OF MEMBERSHIP OF THE S.A.C.

The Swiss Alpine Club Membership Card (the buff card with the member's photograph inside) is usually issued every three years, but the Central Committee has decided that the old cards shall continue to be available until further notice, *provided the gummed slip for the current year, with the signature of the President of the Central Committee, is affixed to the lower half of the inside cover.* It is very necessary for all members to be careful about this.

Instead of the coloured cards issued by the various Sections as receipt for the current year's subscription, membership cards have to be provided with the gummed slip (measuring about $3\frac{1}{2}$ x $1\frac{1}{2}$ inches), bearing the date of year of issue. This gummed slip must be affixed to the inside of the card over the previous slip, and members are earnestly requested to stick it in as soon as they receive it. In the past quite a number of members forgot to do so and only noticed the imperfection of their membership card when about to go to Switzerland, and then hastily appealed for assistance to the Hon. Treasurer, who has not always a stock of these receipt slips, seeing

that each Section only sends him as many slips as there are members.

Loss of Membership Card or Badge.—It is inevitable that someone or other should lose his card or badge, and this is most likely to be discovered at holiday times. If such a loss occur, it is best for the member concerned to write direct to his Section Treasurer, as our own officials are quite likely to be away at such a time, and in any case can only refer the matter to Switzerland. To avoid delay a photograph should be sent at the same time if it be the membership card that has been lost. Members of the Geneva, Diablerets and Interlaken Sections, however, can obtain new membership cards and badges straight away from the Hon. Treasurer's office. Price for new membership card is 1/—.

The price of a new badge is 2/6.

OFFICERS AND COMMITTEE.

All the officers were re-elected. The following members of the Committee retired, having completed their term of office: Messrs. V. O. Cohen, A. U. Sarpy, C. J. Tipping and A. E. Tydeman. The resulting vacancies were filled by the election of Messrs. G. C. Bramley (Interlaken), L. G. Dibdin (Piz Lucendro), J. W. Healy (Geneva) and R. P. Mears (Geneva).

FINANCE.

The accounts for the year 1942 show a balance of income over revenue of £42 9s. 10d. No allowance has been made in the accounts for the £20 usually contributed by Geneva section, and the £5 from Diablerets section, towards the rent of premises as it is felt that in the present circumstances when no rent is incurred such grants might be disallowed by the respective sections.

The 1941 subscriptions are still being held on deposit for the S.A.C. A certain number of subscriptions were received for 1942, prior to the notice from the Treasury that no more collections would be allowed, and these are also held on deposit; but the subscription towards the periodical *Les Alpes* has been remitted to Switzerland.

No application for permission to remit subscriptions to *Les Alpes* for 1943 has been made, since the despatch of periodicals has been stopped by the publishers owing to transport difficulties.

The names of members of our Association are being sent to the Central Committee and the Sections so that they may reserve missing copies of 1942 and 1943 periodicals until the war is over.

The financial situation remains strong. Our investments at cost represent £1,469 17s. 8d. and to-day stand at about £1,721.

SIR WILLIAM ELLIS TRUST FOR GUIDES OF SWISS NATIONALITY.

The Trustees are very glad to report that the Treasury have again given permission to remit to Switzerland the pensions allowed to various beneficiaries. The recovery of income tax for previous years has increased the Income account by £83 16s. 7d. and this sum will be very welcome when normal relations with Switzerland are resumed, as there will almost certainly be considerable distress among guides. No new applications for assistance have been received from Switzerland and it is perhaps as well that this is so for the Trustees would have had considerable difficulty in making the necessary investigations as to the bona fides of applicants. Such letters as we have received from Switzerland from beneficiaries show how greatly this Fund is appreciated and all express their gratitude to Sir William Ellis who takes the keenest interest in the work of the Trustees.

THE HONORARY SECRETARIES.

All communications concerning the Association Meetings should be sent to Mr. M. N. Clarke ; other communications may be made to either Secretary.

The addresses of the Hon. Secretaries will be found inside the cover.

THE HONORARY TREASURER.

All communications concerning Subscriptions should be sent to the Hon. Treasurer, Mr. C. T. Lehmann, 35, Mattock Lane, Ealing, W.5. Telephone : Ealing 5682. Resignations must be sent in before December 31st.

SUBSCRIPTIONS.

Owing to the Treasury ban on remittances abroad the Hon. Treasurer is no longer allowed to send subscriptions to the S.A.C. nor in fact is he now allowed to collect subscriptions. It has been arranged with the Central Committee that those members who would wish to continue their subscriptions shall be considered as "Members on leave" and while no subscription can be asked of them they will not be struck off the various Section lists and will be reinstated as soon as permission is granted without payment of a new entrance fee.

A list of all members of the Association will be sent towards the end of March to the S.A.C. in order that they may make a record and keep copies of *Les Alpes* for distribution to those members who may wish to have them in order to complete their sets ; but of course they would be required to pay the usual subscription for the periodical which amounts to 15 Swiss francs per annum.

Many of the foregoing notes are therefore not of any practical value at the moment ; but it is hoped that they may be before the next issue of the Annual Report can be distributed to members.

THE CLUB ROOM AND LIBRARY.

It has been deemed advisable not to rent another Club Room until conditions become more settled, but in the meantime the business of the Association will be transacted by the Officers from their respective addresses.

Following the example of the Alpine Club, arrangements have been made to house the Library in the Country

for greater safety, and it is therefore much regretted that members cannot have access to it for the time being. We shall certainly, however, take other quarters as soon as circumstances permit us to do so.

ARRANGEMENTS FOR 1943.

Meetings will be held (by kind permission) at the Alpine Club, 74, South Audley Street, W.1., at 6.30 p.m. on the following dates :

Wednesday, April 14th.	Wednesday, July 28th.
Wednesday, May 26th.	Wednesday, August 25th.

Members are requested to note that no meetings will be held this year in February, March or September.

A Meeting will be held on Wednesday, October 27th, at 12.30 p.m.—probably at the Comedy Restaurant.

The Annual Luncheon (or Dinner) will be held in November, and further details will be circulated later.

Obituary.

DR. H. DUBI.

All of our members will have read in *Les Alpes* of the death in January, 1942, of Dr. Dubi at the age of ninety-one; but perhaps not all of them will be aware of the important part he played in the forming of our Association. At the time when it was being discussed he was President of the Central Committee and gave us very valuable assistance and support and but for him it might never have been formed. He continued to take the greatest interest in this body and made a point of attending all our summer dinners in the Alps. Even the last few years when he had to be accompanied by his Secretary, he made the long journey from Bern to Kandersteg or Grindelwald, or the even longer journey to Zermatt, just for the one evening to spend with us. He was also glad to make a speech in English, to which we listened with pleasure, welcoming us all not only as members of the S.A.C. but as English climbers for whom he had the greatest admiration and respect.

Needless to say a man who could be President of the Central Committee of the S.A.C. was a man of considerable attainments in the Alpine World and to this Dr. Dubi was no exception. He made a number of notable expeditions in the Alps, in particular he was the first to make the now usual ascent to the Jungfrau from the Rothal Valley and besides being the Editor of the *Jahrbuch* for some thirty years or more, he wrote climbers' guides for the Bernese Oberland and Saas Fee district, and was also a doughty champion of Packard in the controversy between Packard and Balmat.

The writer has the kindest memories of his charm of manner, courtesy and conversation, an experience which no doubt many of our members will corroborate.

C. T. L.

G. R. SPEAKER.

Unlike the majority of his fellows, Speaker was so circumstanced during a good many years past that he could make his occupations and pre-occupations fit his own natural bent and could thus live in fuller measure, and to a more intense degree than most, what stood for him as the good life.

Living thus, it is probable almost to the point of certainty that he was less well equipped and prepared to endure with philosophic calm and resignation the inevitable approach of that ebbing strength and zest for an active life which accompanies advancing years; and if he ever gave thought to such matters, it is probable he did so with something approaching dread.

Mercifully, perhaps, he was spared the experience, and sipped and enjoyed the nectar of the life he loved until his last day; and if the manner of his passing was painful to his friends, it could not have been so to him, so there is little need to think of it in terms of the tragic.

Amongst other of his characteristics, not the least notable lay in an almost consuming eagerness to help friends and chance acquaintances alike in whatever way he could contribute to their pleasure and happiness: indeed he provided an example of such eagerness, almost to the point of unwisdom, on the very day upon which he met his end.

On that, for him, fatal day he was on his way to attend an Alpine Club meet at Langdale. Most men of his age (he was self-confessedly out of his usual form and carrying the heavy pack he was wont to do) would have considered the tramp to the top of Sty Head Pass and higher still over Esk Hause and on to Langdale sufficient for the day without tackling a tolerably strenuous climb on the way: not so Speaker, who, chancing upon two men desiring a climb and someone to lead them on one, took them on what was to prove his own last one.

Although I had known Speaker from the early years of his climbing career and had walked in his company many hundreds—thousands it may be—of miles, I cannot

recall ever having been on the same rope with him either in this country or Switzerland. But all who had climbed with him and could appraise climbing ability testify to his technique being the perfection of grace and apparent effortless progress on rock : the true mark of the expert cragsman.

In the hey-day of his climbing career his boon companion was C. F. Holland and, later, M. G. Bradley. Only a fortnight before his death he stepped forward with characteristic helpfulness in an emergency and lectured to the Association on the Engelhorner of which his knowledge amongst Englishmen was perhaps second only to that of Bradley's.

As a mountaineer he worshipped at many shrines, but as between the Engelhorner and the Dolomites and the classic centres of the Oberland and other centres nearer home, the one which it may be guessed lay nearest to his heart was the comparatively small one whose tops overlook the tiny churchyard at Wasdale where he so fittingly lies.

His genius for friendship and open-handed generosity were upon a plane outside ordinary standards and in-so-far as he envisaged an unknown future, Elisium for him was naught if not where one would meet one's friends. An example of his benevolent and compassionate spirit might have been witnessed on any boat-race day when his wharf might be seen crowded with wounded ex-soldiers and their wives and families whom he entertained and sent away—not empty-handed—in the manner so familiar to all who have attended the annual dinners of the London Section of the Fell and Rock Climbing Club which he organised as none other than he could.

Business career though Speaker's was, he did not suggest himself as obviously cast for the rough and tumble of a competitive business world nor for the role of chafferer in the market-place : through him ran a considerable strain of idealism which he sought to practise in his dealings with his fellows and in the relationship between employer and employee. More than most

men he was the sum of his feelings and from that, perhaps, his idealism naturally flowed. And in the recesses of his mind lay an inner chamber less open to mere acquaintances than, perhaps, to kindred spirits, but one guessed it was there the mystic in him dwelt.

His passing leaves a void in a multitude of hearts.

WILLIAM BELLOWS.

William Bellows, who died 29th March, 1942, was one of our earliest members and always took a great interest in our Association, coming up frequently from Gloucester, where he lived, to attend our dinners or meetings.

He was born at Churcham, near Gloucester, in 1873, where his father had a well-known printing business. He was educated at Stroud and later on in Paris where he acquired that knowledge of the French language which gave him a life-long interest in France and enabled him to continue and perfect the well-known Anglo-French pocket dictionary which his father had started and which he kept up-to-date. There is no doubt but that a bilingual education immensely increases a man's knowledge and views of life and this was certainly one of the reasons for his extraordinarily interesting conversation and delightful companionship.

To most of us he was known as a climber; but though he may have started his Alpine career late in life, he made up by his keenness for his relatively short experience.

Unknown to, or unsuspected by, most of us but none the less important was his interest in the civic and social life of his native town. He had been an alderman of Gloucester for twelve years, was an enthusiastic supporter of the local Ratepayers' Association, was President of the Cotswold Naturalist Field Club and took a great interest in the preservation of natural beauties. One of his last acts was to secure for Gloucester a particularly beautiful avenue of Elms at Whaddon Green, near Gloucester, a favourite picnicing ground for walkers from the city. It was not only trees and natural beauty that fascinated him, but also architectural gifts, and he protested strongly

against any vandalism in the historical beauties of his town.

In religion he was a Quaker, with all the gentleness of disposition generally found among Friends, which is also usually combined with a great sense of justice and upholding of right and in this he was not behind any of the more famous members of his religion.

A clause in his Will authorises his Executors to give such books from his library to our Association as we might like to have in order to complete our collection. The Hon. Librarian and the President were thus enabled to add thirty interesting and valuable books which will be prized by those many members of our Association who make use of the Library.

He will be missed by many of us ; but much more by Gloucester, and for ever by his wife and step-children.

C. T. L.

HUGH GARDNER.

The evacuation to the country, in the early days of the war, of the school of which he was joint headmaster had made it difficult for Hugh Gardner to come to many of our more recent meetings and, until the news of his death reached us, few had known of his failing health.

Brother of Arthur Gardner, the well-known photographer of Alpine subjects, whose skill in that art he closely rivalled, he will be best remembered amongst us by the beautiful slides which he so often showed at our monthly meetings and of which he seemed to have an inexhaustible store.

A wanderer among the hills rather than a climber, his chief interest lay in the mountains of the West and North of Scotland ; not many could claim a knowledge equal to his of the remoter glens of Ross and Sutherland and he seldom missed a " meet " of the Scottish Mountaineering Club, of which he had long been a member.

He was equally faithful in his attendance at our own gatherings in London and, when our normal activities are resumed without him, his quiet, shy humour, lively interest and entertaining comment will be sadly missed.

A. A. G.

H. W. REGINALD ROOM.

A well known and popular member of the Association passed away when Reginald Room died just as this Report was going to press at the early age of 59. He was a keen mountaineer, an excellent amateur Alpine photographer and an enthusiastic skater, while his genial personality made him a delightful companion.

Room was educated at Highgate, as well as in Switzerland and Germany. He joined the Swiss Alpine Club early in life, and at the time of his death had long been one of its "Veteran" members. He took a keen interest in our Association to which he belonged for many years and served on the Committee. He had been a member of the Alpine Club since 1936, and he also belonged to the Royal Microscopical Society.

Prior to settling down in England he spent some years fur trapping in Canada. He did a great deal of climbing both in Switzerland and Wales. His chief Alpine climbs were the Matterhorn, Monte Rosa, Zinal Rothorn, Obergabelhorn (via the Arbengrat), Trifhorn, Rimpfischorn (traverse), Gross Schreckhorn and Finsteraarhorn. He also did a number of climbs in the Engadine and elsewhere, and one of his last ascents was that of the Jungfrau and Mönch in one day at the age of 54. His guides were Hans Bernet of Grindelwald and Adolf and Hermann Schaller of Zermatt. In 1938 he had a serious accident on the Eiger from which he never really recovered.

Since the outbreak of war he had been living at Church Stretton and consequently had been unable, greatly to his regret, to get to any of our more recent meetings. He leaves a widow and two sons to whom we desire to tender our deepest sympathy in their great loss.

CLUB NOTES.

The refusal of the Treasury to allow us to collect subscriptions for the Swiss Alpine Club has been a bitter disappointment to us and strikes a severe blow at the root of our constitution. However, the Central Committee fully realise our position, and have been most sympathetic and understanding about it. They have agreed to regard us as "members on leave" and this means that after the war we shall automatically resume active membership of our respective sections. Unfortunately it also means that our Insurance lapses and that we shall no longer receive our copies of *Les Alpes*; the latter, however, will not be lost, but will be put on one side for us until after the war. We can only pray for the day when once more we shall all be active and not merely nominal members of the Swiss Alpine Club.

The policy of concentrating on the evening meetings during the summer months appears to have been the correct one, and the five meetings held during the past year were an unqualified success.. Once again we should like to express to the Alpine Club our great appreciation of their kindness in allowing us to hold our meetings in such attractive surroundings.

The Easter Meet was held at the Old Dungeon Ghyll Hotel, Langdale, where we were made most comfortable by Mr. and Mrs. Bulman. The success of the Meet was rather marred by the atrocious weather of the last two days, but everyone contrived to have a very enjoyable time and went back to their work feeling all the better for the change. The following members and friends attended: Mr. and Mrs. R. P. Mears, Mr. and Mrs. George Starkey, Major and Mrs. John Hunt, and Messrs. A. A. Galloway, J. Knox Taylor, J. E. L. Clements, E. L. Theobald, A. U. Sarpy, Tom Wise and M. N. Clarke.

The 1943 Easter Meet will take place, circumstances permitting, at Ogwen Cottage, and we hope that we shall

be as fortunate with the weather as we were on our last Welsh Meet in 1938.

A formal luncheon was held at Brown's Hotel on November 28th and was attended by no less than seventy-one people. Details of this will be found on another page.

One most satisfactory feature is that during the past year we have had a very gratifying number of new members and on the other hand extremely few resignations. This means that our membership is once again on the increase, and let us hope that the progress will be maintained.

The Committee have offered Honorary Membership for the duration of the war to Colonel J. Morin, of the Free French Forces, who is a distinguished member of the G.H.M.

We have lost through death eight members of the Association this year—Dr. H. Dubi, G. R. Speaker, William Bellows, Hugh Gardner, H. W. R. Room, R. V. Vernon, H. W. C. Bowdoin and Surgeon-Commander T. C. Larkworthy, R.N.V.R. (on active service). The tragedy of G. R. Speaker's death is too fresh in our minds to need any further reference here, and it is typical of his never-failing kindness that only a few weeks before his death he stepped into the breach at short notice and gave us a most delightful paper on the Engelhörner, which will ever be a happy memory to all those who had the pleasure of listening to him. In R. V. Vernon too we have lost an old friend. He was at one time a very keen member of the Association, but for several years past had been prevented by illness from attending our meetings. All these men will be sadly missed by their many friends in the Association and their passing leave a gap which it will be hard to fill. Obituary notices of Dr. H. Dubi, G. R. Speaker, William Bellows, Hugh Gardner and H. W. R. Room will be found on another page.

Evening Meetings were held at the Alpine Club in April, May, June, July and August, and the following

papers—all of which were illustrated by lantern slides—were read:—

April 22nd—"The Northern Highlands in War-time" (Mr. A. A. Galloway).

May 27th—"A High Level Traverse from Fionnay to Zermatt" (Mr. George Starkey).

June 24th—"Argentières Agilities" (Major A. E. Tydeman).

July 22nd—"Some Unappreciated Climbs" (Mr. R. P. Mears).

August 26th—"The Engelhörner" (Mr. G. R. Speaker).

We are very much indebted to these members for making these meetings such a success, and the Hon. Secretaries would be very grateful for offers of assistance for the five evening meetings which we hope to hold this year.

The attention of members is drawn to the List of Meetings for 1943 which was issued in January and is reprinted elsewhere in this report.

We should like to offer our heartiest congratulations to our Hon. Solicitor, Sir Edwin Herbert, on receiving the honour of Knighthood.

The Honorary Librarian deeply regrets that during the year 1942 the Library was not available to members. As was announced already last year, it is stored for the duration of the war at the Rotherham Main Colliery, near Sheffield.

Thanks to the generosity of our deceased member, the late Mr. William Bellows, of Gloucester, a number of books in his excellent collection of works on mountaineering were left to our Association. They replace some volumes lost through the "blitz" in Langham Place in 1940 and include books by John Ball, Walter Larden, Count Henry Russell, F. C. Grove, Sir Claud Schuster,

Pope Pius XI, Guido Rey, R. L. G. Irving, F. S. Smythe, Emile Javelle, Christian Klucker, etc.

This welcome accession to our Library is being cared for during the rest of the war by Mrs. Bellows, to whom we owe a debt of gratitude.

Finally, it is gratifying to note the increasing demand for copies of our club publication "The Technique of Alpine Mountaineering" both at home and abroad.

A formal luncheon was held in place of the Annual Dinner at Brown's Hotel on Saturday, November 28th. The President was in the chair and no less than seventy-one members and guests were present—a very gratifying attendance.

The Guests of the Association were Monsieur Charles de Jenner, Counsellor of the Swiss Legation; Sir Leonard Pearce, who represented the Alpine Club in the absence of the President, who was laid up with a chill; Mrs. Milsome, who represented the Ladies' Alpine Club; and Monsieur Chapuis, who represented the City Swiss Club. We were also very pleased to see our old friend Miss McAndrew there as a private guest.

Lieut.-Colonel E. R. Culverwell proposed the toast of the Swiss Confederation, to which Monsieur de Jenner replied, in the absence of the Minister who was unable to be present. We were all sorry to hear that this was the last occasion on which we were to have the pleasure of listening to him as he was returning to Switzerland after a sojourn of twelve years in this country; we wish him "au revoir" and god-speed. Monsieur de Jenner concluded his speech by proposing the health of the Association, and the President in the course of his reply gave a resumé of the activities of the Association during the past year. Mr. R. H. Sennett proposed the toast of the Guests, and Monsieur Chapuis replied in a most admirable speech. Mr. Clarke proposed the health of the chairman, and this concluded the proceedings.

SUMMER HOLIDAYS, 1943

The question of summer holidays this year is extremely problematical, although most of us will probably feel the need of them more than ever before.

Although Switzerland, alas, is out of the question, the Hon. Secretaries will be very glad to assist members wherever possible with regard to plans. The question of holding a Summer Meet in this country might even be considered at a later date—especially if through force of circumstances we are obliged to abandon the Easter Meet.

Under normal circumstances the Insurance against Accidents specifically covers risks in England, Scotland and Wales, but unfortunately the Insurance has had to be suspended while subscriptions cannot be remitted to Switzerland.

SUNDAY WALKS.—If members are desirous of arranging a training walk at any time, the Hon. Secretaries will always be very glad to put them in touch with others similarly inclined, whenever possible. Such members should communicate with one of the Hon. Secretaries not later than the previous Wednesday.

INSURANCE AGAINST ACCIDENTS.

The Swiss Alpine Club have renewed their contract with a number of Swiss Insurance Companies for three years from the 1st January, 1942, with a few slight modifications as compared with the 1936-38 contract. The sum assured varies according to the sections. With some it is 10,000 francs, with others 8,000 francs, payable at death, or proportionately for permanent or temporary disablement.

The Insurance covers accidents in the Central European Alps, the Jura, Pyrenees, Apennines, Carpathians, Vosges, Black Forest, **England, Scotland and Wales**, but it does not cover Norway, Himalayas, etc.

The benefit of the insurance can now only be paid to wife and children, grandchildren, parents, and brothers or

sisters, and the benefits cannot be assigned to, or claimed by, any other parties.

Additional policies can be obtained :

(a) For payment of 3 francs, to bring up the insurance for death or permanent disablement from 8,000 to 10,000 francs for climbing accidents only.

(b) 3 francs to secure the same benefits as above for ski accidents.

It should be noted that ski accidents in the first place do not cover jumping, or accidents occurring while the insured is taking part in any sporting event, and that the accident must be part of a genuine ski run, *i.e.* when skis are used as a means of transport in what may be considered a mountaineering expedition.

Additional premiums of :

8.20 francs will cover 3 francs daily during temporary disablement, starting from the eighth day and up to one year, but the amount will depend on the degree of disablement and not exceed 3 francs.

9.40 francs will cover medical expenses up to 3 francs per day, limited to 300 francs.

14.60 francs will cover medical expenses and a daily allowance on the above scales.

There may be various combinations of the above, or even doubling or trebling of one particular form of insurance.

All these various combinations are set forth in the issue of "Die Alpen," November, 1938.

In no case are expenses of a rescue party or transport covered by insurance.

Neither the Association nor individual members can accept any liability for the above brief particulars of insurance. For full terms of the contract of insurance members should also refer to the same issue.

The foregoing notes are at present of no practical value, but have been left standing as a matter of interest to those of our members who are not members of the Swiss Alpine Club.

THE
ASSOCIATION OF BRITISH MEMBERS
OF THE
SWISS ALPINE CLUB

RULES

1. NAME.

The name of the Association shall be "THE ASSOCIATION OF BRITISH MEMBERS OF THE SWISS ALPINE CLUB."

2. OBJECTS.

The objects of the Association shall be:—

- (a) To encourage British Alpinists to support the Swiss Alpine Club in all its work by becoming members of a Section of that body.
- (b) To collect funds for the building or maintenance of S.A.C. Huts, and for such other purposes as the Committee may from time to time determine.
- (c) To form a body able to present a collective opinion to the S.A.C. on any question of Alpine interest.
- (d) To promote among British climbers a spirit of sociability, and in particular to provide a common meeting ground in London or elsewhere.
- (e) To initiate and co-operate in any movement that may tend to increase the membership of the S.A.C. and of this Association.

3. CONSTITUTION.

The Association shall consist of (1) Ordinary Members and (2) Honorary Members.

Ordinary Members shall be divided into two classes (a) Town and (b) Country. Town Members shall be those who reside within a radius of 50 miles of Charing Cross. Country Members shall be those who reside outside that radius.

The qualification for ordinary membership shall be membership of some section of the S.A.C. The election of Ordinary Members shall be absolutely under the control of the Committee. Honorary Members shall be elected by the Committee at their discretion.

4. SUBSCRIPTION.

The subscription to the Association shall be £1 per annum for Town Members and 10/- per annum for Country Members. The first subscription to be payable at election and subsequent subscriptions on the 1st January in each year. Any Member whose subscription shall not have been paid on or before the 1st March shall cease to be a Member of the Association, but may be reinstated on payment of arrears at the discretion of the Committee. Any Member joining after the 1st November shall not be required to pay his subscription for the ensuing year.

The payment of £8 8s. Od. in the case of Town Members and £4 4s. Od. in the case of Country Members shall constitute Life Membership.

For those elected BEFORE 1921 it shall be optional whether they pay 5/-, 10/- or £1 subscription, or £2 2s. Od., £4 4s. Od. or £8 8s. Od. for Life Membership. For those elected AFTER 31st December, 1920, but BEFORE the 1st of January, 1930, it shall be optional whether they pay 10/- or £1 subscription or £4 4s. Od. or £8 8s. Od. for Life Membership.

5. MEETINGS.

- (a) An Annual General Meeting and Dinner shall be held in November or December. Other meetings may be held as the Committee think fit.

6. COMMITTEE.

The Management of the Association shall be vested in a Committee to be elected at the Annual General Meeting and to hold office from the 1st January following. The Committee shall consist of *ex-officio* members, Ordinary Members, and such extra Members, not exceeding three, as may be co-opted in the manner hereinafter provided.

- (a) The *ex-officio* Members shall be the officers of the Association for the time being, viz.:

who shall be elected at the Annual General Meeting, provided that the President shall not serve for longer than three years in succession.

- (b) The Ordinary Members of the Committee shall be twelve in number. One-third of them shall retire annually, and shall not be eligible for re-election until after one year has elapsed. The Committee may co-opt not more than three additional Members, one of whom must retire yearly; the mode of election and manner of retirement to rest with the Committee. Five Members shall constitute a quorum. The Committee may suggest names for Officers and Committee, but this is not to be taken as precluding any two Members from nominating candidates, whose consent, however, must be previously obtained.

At least three weeks' notice of the Annual Meeting shall be given to every Member; and nominations for Officers and Committee must be sent in to the Secretaries at least ten days before the Annual Meeting. In the event of more candidates being nominated than there are vacancies the election shall be by ballot.

7. POWERS OF THE COMMITTEE.

- (a) The Committee may, by a two-thirds majority of those present, remove the name of any Member from the list of Members if they consider his conduct to be incompatible with membership of the Association; but such person shall have the right of appeal to the next Annual or Special General Meeting, which shall have the power of annulling, by a two-thirds majority of those present and voting, the decision of the Committee.
- (b) The Committee shall have power to submit any proposal affecting the Association to an Annual or Special General Meeting of the Members of the Association.
- (c) The Committee shall have power to increase the number of Officers by two.

8. ACCOUNTS.

The Accounts of the Association shall be audited in January and presented by the Hon. Treasurer at the next General Meeting of the Association, and shall be published with the Annual Report.

13. REGULATIONS.

The Committee shall have power to make such regulations, not being inconsistent with these Rules, as they think to be for the well-being of the Association.

14. THE CHAIRMAN.

The Chair, whether at a General Meeting or at a Meeting of the Committee, shall be taken by the President of the Association, or in his absence by one of the Vice-Presidents. In the absence of the President and Vice-Presidents, the Meeting shall elect a Chairman from among the Members present. The Chairman shall, in case of an equality of votes, have a second or casting vote.

15. RETIRED LIFE MEMBERS.

TEMPORARY RULES

- (a) During the continuance of the present war, members who find themselves unable to continue their membership of the Swiss Alpine Club may still remain members of the Association for the time being on payment of the usual rates of subscription, notwithstanding the provisions of Rule 3 but subject to the provisions of Rule 15.
