

ABMSAC KANDERSTEG MEET HOTEL ALFA SOLIEL 9-16 JULY 2022

Disclaimer - Please note whilst Paul Stock will collect names of attendees, organise hotel payment and recovery of funds from the attendees this meet will have no hotel based meet co-ordinator, such as Pamela Harris has fulfilled in previous years, and will be up to the attendees to organise their daily activities etc themselves. I'm sure that this arrangement is not too difficult to overcome.

Hotel Alfa Soliel

This hotel is a charming, family-run hotel. It opened in the 1960s as an American-style motel and grew into a comfortable 3-star hotel in the coming decades. The Hotel has a history: the rooms breathe their own individuality with a special charm. The family friendly Alfa Soleil has many amenities such as a small fitness suite, indoor swimming pool and Finnish sauna. Every room is equipped with telephone, radio, television, private safe, hair dryer and bathrobes. It has an excellent kitchen and I hope the advertised friendly, personal service will make your stay a most enjoyable-one.

We have the following arrangements:

Free WIFI

Use of the Indoor swimming pool with Jetstream & Soft-Jacuzzi and the fitness area

Free parking space

Guest card with reductions in Kandersteg

The club are negotiating a lift and bus pass for the area with more details to be announced shortly.

The hotel promises a delicious 4-course menu every evening of your stay. Their half board arrangement offers a choice of 3 different main courses from their two 4 Course menus. Previous guests have said that at breakfast, they have a separate table laid out with ingredients for you to make a packed lunch. This hotel is also used by other hiking companies such as Headwater.

Kandersteg

Kandersteg is an attractive alpine village enjoying a relaxed and friendly atmosphere, and surrounded by beautiful mountain scenery in all directions. The main street is lined with inviting cafés and restaurants, and small shops selling local produce. The walking possibilities are excellent, with an abundance of trails around and above the village, from gentle strolls to more strenuous hill-walking. The Oeschinen cable-car, which is a pleasant 10 minute stroll from the village, whisks visitors up to the glorious scenery of the Oeschinen Lake. The Sunnbüel cable-car, a short bus ride away, has more walking trails and views.

Travel magazine has a few suggested walks (<https://www.thetravelmagazine.net/classic-swiss-alps-hiking-in-kandersteg.html>)

I'm sure there are plenty of options.
